MCPS SURVEY

MCPS has launched a survey to gather community input around key elements that will need to be included in the district's recovery plan for the fall. When completing this survey, please keep in mind that we are considering a number of scenarios, including continuing with remote learning; engaging in a hybrid model that includes some face-to-face instruction and some remote learning; and providing in-person learning with restrictions in place, such as physical distancing and improved health and safety requirements.

This survey will take 10 to 15 minutes to complete. All questions on this survey are optional. Your responses are anonymous and will only be reported in summary form. Please complete the survey by 7 p.m. on Wednesday, July 8.

PRODUCE BOX DISTRIBUTION

Free produce distribution is scheduled on Thursday, July 3rd from 12-12:30pm at the West Side Drive entrance of Malcolm King Park. The boxes weigh 25lbs and we only have enough boxes to provide 1 per family. PLEASE wear a mask and follow social distancing rules. We need to keep all JLES families and volunteers safe. ONLY complete this form if you are a Jones Lane family and need a box delivered to your home. We have limited volunteers and can only deliver to Jones Lane families whose parents are working and unable to come to the distribution or who live in other school neighborhoods. All others are asked to attend the distribution. Please call or text Jessica Berrellez if you have any questions (301) 300-8429. <https://forms.gle/kDxzte5dQtJgnqNp8>

ARTS FUNDRAISER

My Original Works order came in the mail yesterday. Everything was high-quality, and I got my order in less than a week. Connor's sketchpad is "cool," which I take as high marks from a rising middle-schooler, and I really liked the lens cleaning cloths. The ornaments also look better in person than online.

It's not too late to order your child's artwork for yourself or gifts.
