Budget

- The budget was presented and approved by a vote of 28 (some people have two votes if they have a family membership)
- Budget was prepared for the full year assuming school year was virtual
- If schools do go back in person, the budget can be adjusted as needed. Would just need to have another vote.

 - Science Fair Income – this is for vendor donations from the Science Fair last year. Still need to collect the money.
 - Community Engagement – this is for creative way to have the community stay involved even though children won't be in the actual building. It is community building
 - Includes items as Yard Signs, Flat Jag, PTA Tuesdays, etc.

MD PTA

- The National PTA has taken over the MD PTA for not properly following bylaws.

PTA Tuesdays
