

## Want to get involved? The PTA needs your help!

The PTA has a jam-packed calendar of fun events & programs for our children and families. Please check out the list below and think about volunteering your time with one of these committees!

Help us make this year the best!

- **Book Fair:** Join the committee to help plan the events surrounding our October Book Fair. We also need cashiers who can work at least 6 hours during the Fair to sell books. Easy online training for the cash registers is provided.
- **Eat the Rainbow:** Encourage students to “eat the rainbow” of colorful fruits and vegetables to stay healthy. Assist with copying and cutting flyers, organizing the daily prizes, coordinating with the nurse and cafeteria, creating signup genius for help during the week and for the final class winner.
- **Jagfest:** We have a brand new JagFest Committee for 2017. We will need help planning, communicating with food vendors, coordinating student and adult volunteers, event logistics and more! If you have new ideas and want to help update the event, or are just interested in helping our kids have a great Spring Carnival, please contact Stacy Kravitz ([thestacy@gmail.com](mailto:thestacy@gmail.com))
- **Outdoor Classroom:** There are lots of open subcommittee roles. Some are very behind the scenes and some are more time consuming or creative. If you have a passion for environmental education, recycling, sustainability, or if you are just crafty and can help with a bulletin board, we would love to have your help. The following positions are open: Green School re-certification Application, Bulletin Board, Terracycle, Crayola Color Cycle, Yearbook Page, Earth Day/Earth Week Activities. Please contact Stacy Kravitz for more information ([thestacy@gmail.com](mailto:thestacy@gmail.com))
- **World Fair:** Help coordinate this event where JLES families showcase their culture, country, or heritage by preparing flyers and materials for the event, planning the event and booth arrangement, and overseeing the event. World Fair was hugely popular last year – let’s do it again!

If you are interested in volunteering your time or have any questions about the events above, please contact Kristen Kaelin, VP of Volunteers, at: (301)330-9315 or [krkaelin@comcast.net](mailto:krkaelin@comcast.net)
